

660

Spray Wash Compound

PRODUCT DESCRIPTION

Our 660 Spray Wash Compound is a heavy duty aluminum cleaner. It was formulated to remove oily soils from aluminum and ferrous metals using spray application parts washers. This low foaming cleaner was originally developed to clean aluminum castings in the automotive rebuilding industry. It is often recommended where heavily soils are present and/or both steel and aluminum parts are cleaned in the same machine.

- Efficiently penetrates a wide range of oily soils
- Excellent dispersion properties prevent redeposition
- Especially well suited where aluminum and steel are cleaned in same machine.
- Gives maximum solution life,
- Low foaming

USAGE AND DILUTION INSTRUCTIONS

Use 4 to 8 ounces per gallon of water. Maintain solution temperatures of 120° to 160° F. Higher temperatures may darken or pit aluminum. Periodic adds of 1 to 2 ounces per gallon may be made to extend cleaning solution life and maintain low foaming characteristics.

Refer to our Material Safety Data Sheet for additional information.

PHYSICAL PROPERTIES

Appearance	White free-flowing powder
pH @ 1% Solution	10.0
Solubility in Water	Excellent
Foaming Action	Very low
Rinsing Action	Good
Odor	Mild
Metal Safety	Ferrous and Aluminum
Standard Container	400 lb. drum

HANDLING AND STORAGE INSTRUCTIONS

This is a highly alkaline product. Use good industrial hygiene practices such as wearing chemical safety goggles, rubber gloves, impermeable apron, and other appropriate protective clothing to prevent contact. Wash thoroughly after handling. In case of contact with skin, flush with plenty of water for 15 minutes. Contact a physician if irritation develops. For eye contact, flush eyes with plenty of water for at least 15 minutes, and consult a physician. Store in cool dry place to help prevent caking and rot stock. When stored as above, shelf life is a minimum of 2 years.

Progress Chemical guarantees its products will perform to your satisfaction when used in accordance to our recommendations. We back this guarantee with over 50 years experience. Our company has been certified to ISO 9001:2000 Quality Standards.
